- Sinhala

### PROFILE

Dedicated and versatile Full-Stack Development student with a strong foundation in web technologies, software development, and problem-solving. Skilled in front-end and back-end tools such as HTML, CSS, JavaScript, React and databases like MySQL. Passionate about learning new technologies, collaborating on projects, and applying technical knowledge to real-world challenges. Strong communication, teamwork, and time-management skills with a growth mindset.

### EDUCATION

**B.Comp. Hons. Software Engineering**

2024 - present

University of Sri Jayawardenepura

**Bsc. Hons. Software Engineering**

2023 - present

University of Berminham City

### PROJECTS

**E-commerce Platform Development**

APRIL 2023 - NOV 2023

A complete and user-friendly e-commerce platform offering seamless shopping, secure authentication, and efficient product and order management.

**Technologies Used:** *Html, Css, Javascript, bootstrap, php*

**Portfolio Website**

JUNE 2025 - JULY 2025

Designed and developed a personal portfolio website to showcase my projects, skills, and experience, featuring a clean responsive layout, smooth navigation, and interactive sections for an engaging user experience.

**Technologies Used:** *HTML, CSS, Bootstrap*

### ACHIEVEMENTS

UK Awards, Diploma level completed

### EXTRA-CURRICULAR ACTIVITIES

Standing Committee Member, IEEE student Branch, USJ

standing Committee member, Association of computing students, USJ
